Why Us?

Professional Growth

Professional students will see the value of their education at work and be motivated to continue.

Flexibility

Learning online gives the student flexibility. Student saves time and money on travel. The student can learn anywhere via an internet connection whether it be on the beach or in bed!

Fast Track

Wind up an international qualification in less than 6 -15 months while working.

Valuable

The most affordable and internationally accredited programmes from United Kingdom that include textbook and exam fee.

Globally recognized

The preeminence of British education is recognised by employers, universities and governments worldwide. A UK qualification will make you indistinguishable and will keep you always ahead in your career.

About Us

Since April 2015, we are proud to announce that we have renamed our company name from British Academics to **Universal Business Academy (UBA)**. The name change is due to better reflect our goal of increasing our market share locally and regionally.

Universal Business Academy (UBA) has been helping students procure internationally recognized educational qualifications for over 7 years. Up to now, they have more than 2,000 students from all over the world who have matriculated in their programs and have successfully accumulated the internationally recognized qualification that allowed them to work throughout the world.
